

AI4Legislation Seminar #5

📅 **Saturday, July 12, 2025**

🕒 **10 AM Pacific / 1 PM Eastern**

Featured Speaker

🎤 **Prof. Foaad Khosmood**

Why you'll want to meet him:

- ✓ Forbes Endowed Professor of Computer Engineering at Cal Poly SLO
- ✓ Research Director, Institute for Advanced Technology & Public Policy (home of Digital Democracy)
- ✓ Co-founder & past president of Global Game Jam —the world's largest game-creation event
- ✓ Emmy-winning data-journalism collaborator (2025 Northern California Emmys)
- ✓ Visiting Scholar, Imperial College London

What might he reveal?

- 🔍 How Digital Democracy turns legislative events into actionable intelligence for reporters.
- 🔧 Practical tips for plugging legislative data into your own AI projects.
- 🏆 Lessons from running global hackathons—and what makes projects stand out.
- 🌐 The future of AI-powered transparency in state politics.
- 🤖 Behind-the-scenes stories from his Emmy-winning investigation.
